

GRACE Young Professionals & Entrepreneurs Foundation

GRACE YP&E Foundation will host the Inaugural Taste of Booneville, MS & Awards Banquet on March 21, 2020. GRACE YP&E Foundation's goal is to reward fifteen (15) applicants for their excellence as their journey of new business owners and professionals soar. We will also honor some of our most respected business owners & professionals within our community, who have helped to prepare our youth for this new journey.

We are hoping to further our efforts by reaching out to you and offering your company one of our corporate sponsorship opportunities. In addition to your sponsorship, your company will be given an opportunity to address our guest and applicants. Your company will have an opportunity to present the applicants an award on behalf of your company based upon the sponsorship level you choose.

With this being our first huge event we know it will not be a success without the generous support of our local businesses and companies where we live, work, attend church and our kids attend school.

Please see our benefits package for sponsorship levels.

We look forward to promoting your business while enjoying great foods, mingling with some wonderful chefs, and celebrating our youth.

Let us *promote* YOU!
